**COLLAB
WITH US**

Elevate only exists in Collaboration. Remember, "No One Gets There Alone."

At Elevate we believe that **COLLABORATION** yields the best long-term results, acknowledging that the complex work in urban centers cannot be done single-handedly. With that, we have identified 5 different types of collaborators that can engage in the life-changing work of Elevate: Pathway Partner, Sports & Adventure Partner, In-School Partner, Operations Partner, and Community Collaborator. Each of these different types of collaborators will help serve Elevate in it's 4 unique program areas as well as achieve it's mission of building long-term, life-changing relationships with Indianapolis urban youth, equipping them to thrive and contribute to their community.
